Stafify handles implementation, maintenance & support

Monthly SaaS (₱999/user beyond 24) retained by Stafify

Stafify

Affiliate Partner

Best for: Influencers, connectors, marketers

 **5% per successful conversion**

Earnings Example: ₱3,000,000 x 5%
= ₱150,000 per deal

Scope

- Refer leads only
- No sales closing required
- No client handling
- No implementation fee

How it Works?

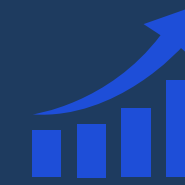

The Affiliate Partner model is designed for maximum simplicity. You focus entirely on leveraging your network and marketing channels to connect potential leads with Stafify.

Once the introduction is made, the Stafify team takes over completely. We handle the entire sales process, closing the deal, and managing all client onboarding, delivery and ongoing support.

"You connect – we close and deliver."

★ Founding Partner (3 slots)

Best for: Early adopters / trusted network

Profit per Deal: ₱1,500,000

Investment: ₱1,500,000

Selling Price: ₱3,000,000

Scope

- Priority onboarding
- Early partner advantage
- Direct access to core team

How it Works?

As a Founding Partner, you are part of our exclusive early-adopter network. This tier offers the highest possible margin per deal.

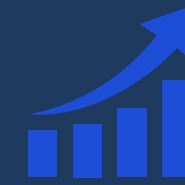

By joining early, you gain direct access to our core development and leadership teams, ensuring your clients receive unparalleled priority and support during onboarding.

“Maximum margin, early mover, advantage.”

Premium Partner (2 Slots)

Best for: Large firms, enterprise resellers

Profit per Deal: ₱1,000,000

Investment: ₱2,000,000

Selling Price: ₱3,000,000

Scope

- Enterprise-level market positioning
- Higher volume sales capability
- Dedicated executive support
- Co-branded enterprise materials

How it Works?

As a Premium Partner, you operate on a higher volume business model with a 1,000,000 profit margin per successful deal.

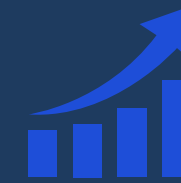

Designed specifically for large firms and enterprise resellers, this tier leverages lower margins to achieve unmatched market penetration, scaling quickly with support managed by Stafigy,

“Lower margin, higher volume & positioning”

Standard Partner (1 slot)

Best for: Agencies, consultants, business developers

Profit per Deal: ₱500,000

Investment: ₱2,500,000

Selling Price: ₱3,000,000

Scope

- Full sales cycle ownership
- Co-branded marketing collateral
- Standard implementation support
- Dedicated partner resources

How it Works?

As a Standard Partner, you take the ownership of the sales process while enjoying a balanced ₱500,000 profit margin per deal.

Ideal for agencies and business developers, this tier allows you to scale your offerings without the overhead of implementation or technical support, which are fully handled by Stafify.

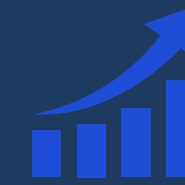

“Balanced profit and scalability.”

Stafify

Master Partner (12 slot)

Best for: Entrepreneurs, SoftCom., IT Firms, Large Agencies & Investors

Profit per Deal: ₱1,500,000

Investment: ₱1,500,000

Selling Price: ₱3,000,000

Scope

- 12 Enterprise Accounts Included
- Full Sales Cycle Ownership
- White-Label & Co-Branded Marketing Materials
- Implementation & Technical Support by Stafify
- Partner Training & Dedicated Account Manager
- Priority Partner Resources & Sales Support

How it Works?

As a Master Partner, you operate your own white-label software business powered by Stafify.

The package includes 12 Enterprise accounts that you can deploy or sell under your own brand. While you focus on sales and client relationships, Stafify handles the platform, implementation, technical support, maintenance, and continuous product updates.

"Own the Brand. Grow the Business. Powered by Stafify."
